The Callide Valley Agricultural & Pastoral Society is delighted to announce that nominations are now open for our Junior High and Senior High Rural Ambassador competitions as part of this year's annual show.

These events celebrate the confidence, community spirit, and individuality of our young people, providing a supportive and enjoyable experience for participants. The Rural Ambassador program encourages personal growth, public speaking skills, and a deeper connection to our local agricultural community. It supports students with a genuine interest in agriculture and rural industries. It also offers a wonderful pathway into future leadership opportunities within the show movement.

We warmly invite students in Junior High (Grades 7–9) and Senior High (Grades 10–12) who are interested in agriculture, rural life, or supporting the future of primary industries to take part in this rewarding experience. All entrants will be recognised for their participation and contribution to our community.
